One day, deep in the hills of Peru, Piggy and her two guinea pig friends came across a patch of daisies.

"Wow", wheeked Piggy, "These flowers will look beautiful in my cave".

"Yes, \_\_\_\_\_ look great", smiled Chinook "Do you think we should pick some?"

Coho waddled over and started chewing on a daisy stem.

"\_\_\_\_\_ take this one,"she said, "\_\_\_\_\_ look pretty in my long hair."

Soon all three guinea pigs were chewing down the daisy patch. They lost track of time and before long they realized that it was getting late. "We had better get going", reminded Piggy, "Or \_\_\_\_\_ get lost in the dark".

"You have a great nose,Piggy, \_\_\_\_\_ lead the way easily'" stated Chinook.

"Yes, \_\_\_\_\_ get us home in no time at all",agreed CoHo
